

CINP PIONEERS IN PSYCHOPHARMACOLOGY AWARD

COLLEGIUM INTERNATIONALE NEURO-PSYCHOPHARMACOLOGICUM

The Award is given at each Congress to three individuals to honour those who have made major contributions to the field as it has developed. The contributions may be in research, clinical, or administrative areas but must be internationally recognized as significant to the growth of the field. Pioneer Awardees receive travel to and lodging at the XXVth Congress in Munich and appropriate recognition at the meeting.

Previous Pioneers

2006: Leonard Cook, (USA), Fridolin Sulser, (USA), Merton Sandler, (UK)

2004: Hanns Hippus (Germany), Alfred Pletscher (Switzerland) and Herman M. van Praag (The Netherlands)

2002: Frank Ayd, Jr. (USA), Arvid Carlsson (Sweden) and Jonathan Cole (USA)

2000: Alec Coppen (United Kingdom), Paul Janssen (Belgium) and Mogens Schou (Denmark)

The Executive Committee selects these individuals and is soliciting candidates from psychopharmacologists around the world. Send a letter by any mode to the President, Torgny Svensson., c/o CINP Central Office proposing any nomination and the reasons why this person should be considered for an award, with details of their principal contributions to psychopharmacology before 6th February 2008.

Please send your nominations to Torgny Svensson at the following address:
